Dedicated to Continuous Education

In addition to providing the highest quality education for our students, Spaulding Youth Center is committed to the concept of lifelong learning for our diverse staff. The management team has demonstrated this commitment by the recent creation of additional funding opportunities for staff to continue their professional development. Whether staff chooses to earn recertification, work toward an undergraduate or graduate degree, or pursue a complementary skill set, the management team is deeply committed to the continued development of our staff. We recognize that the personal satisfaction and accomplishment of achieving academic goals is critical for every individual on campus, from our youngest student to our most tenured employee.

About Spaulding Youth Center

For over 146 years, Spaulding Youth Center is a leading provider of educational, residential, therapeutic and foster care programs and services for children and youth with neurological, emotional, behavioral, learning or developmental challenges, including Autism Spectrum Disorder. Our campus is located on nearly 500 acres in Northfield, NH and welcomes boys and girls from 5 to 21. The professional staff instills study skills, social skills, independent living skills, vocational skills, and an appreciation of learning that help a child reach his or her full potential. At Spaulding, we believe that every child deserves a childhood.
